1. For all new policies taken out during the validity period of these premiums, and provided that the policyholder and payer are a company, the waiting periods set out in the policy will not be applied (except child delivery) and any pre-existing conditions suffered by the insured, where applicable, will not be taken into account when assessing the risk, except for serious conditions. To see the list of serious conditions not included, go to: www.sanitas.es/websanitas/portales/doc_clausula_preexistencias.html 2. Acquisition premium calculated for an 18-year-old living in Madrid. You can check the premiums for this product at www.sanitas.es/tarifas. Premiums valid during the first year of the contract for policies with an effective date between 01/04/2021 and 01/03/2022, provided that the policyholder and payer are a company and it has not previously been the policyholder of another Sanitas insurance policy, to which the fee of the Spanish Insurance Compensation Consortium, 0.15% of the net premium, will be applied. In order to take out this product, at least two family units and twenty-one new insureds must be added to the policy, these being insureds who have not been included on another Sanitas policy in the 6 months prior to being added to the policy. Maximum age for taking out the policy 75 years and without any guaranteed insurability age limit. The insurance contract is annual and will be renewed for successive periods of one year unless one of the parties specifies otherwise under the terms and conditions set out in the policy.
